Protest

Praha, 8 March 2024

Dear Sirs,

The state Tibet has been violently occupied by People's Republic of China for the last 74 years. Since then, the people of Tibet have been oppressed by People's Republic of China ethnically, religiously, and economically as well as politically. To mark the anniversary of the occupation, we shall be displaying the flag of Tibet in Rybníček street in Brno.

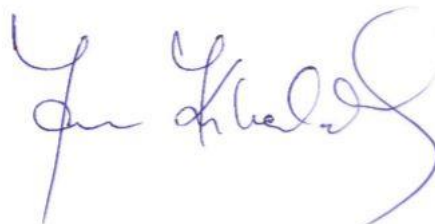

We call on the Government of People's Republic of China to end the genocide of the people of Tibet and to return Tibet its independence.

On this occasion, we also call on the government of the People's Republic of China to end political repression in Hong Kong and recognize the Republic of China (Taiwan).

Yours faithfully,

On behalf of the Conservative Party

Jan Kubalčík
